**HAVE A NON-UNIFORM DAY AND SPONSOR THE EDUCATION OF AN
ORPHAN FROM ZAMBIA**

Would your school like to help fund the education of an orphaned child? Our charity is appealing to schools to organise a non-uniform day to fund the education of Zambian AIDS orphans.

Education

The average annual cost of educating one child is €250 per year. We subsidise school fees, exam fees, uniforms and books from Grade 1 to Grade 12. The subsidy is limited to 75% of the total amount required. There are rare exceptions where the relatives are unable to provide any financial help. As families struggle to earn 25% of the fees themselves, the children do their utmost to succeed. We provide funding for third level education for a limited number of orphans also.

Why support our charity?

As we are a small charity, fundraising and administration work is done on a voluntary basis. All funds received in donations are sent directly to an Irish missionary priest, Fr. Michael Walsh, C.S.Sp., in Zambia to be used for orphan aid. If you would like to find out more information about our charity, please contact me (see letterhead) or visit our newly developed website at www.ovozeambia.com.

Please support this worthy cause. I can arrange collection of any funds raised or if it is convenient, it could be lodged directly into the following bank account -

Account Name: Spiritan Zambia Orphan Fund
Bank Sort Code: 90-35-09
Bank Account Number: 95055898

All donations will be gratefully received and acknowledged.

Yours sincerely,

.....
